SUMMER INTERN!

Impactivo Consulting is a social impact consulting firm that specializes in the fields of health and healthcare, childhood and education and philanthropy. We are currently accepting proposals from graduate students in a Public Health related program for the Summer of 2017.

Candidates should be available
June 1st through July 31st

It is the expectation that the students complete an investigative research focused in one of the following topics:

- **Update to the State Health Assessment**
- **Telemedicine Services Infrastructure in PR**
- **Public Health Workforce Needs Assessment**
- **Develop an framework for health education and intervention of chronic diseases patients**
- **Health Systems leaders assessment**

Selected interns may receive a stipend of $1,500.
