The winners of the the END Educador prizes had the opportunity to take a tour of Amgen's facilities to get a closer look at the biotechnology company's work.

Last week a of high school seniors, winners of the El Nuevo Día Educador 2013 Prizes, visited the Amgen facilities in Juncos. The visit included tours of the analytical and manufacturing facilities to give the students a better understanding of the science and technology at work in the

day to day activities of the company.
