

Jose Miguel Agrelot and his lessons for communicating science ^[1]

Submitted by [Wilson Gonzalez-Espada](#) ^[2] on 12 January 2014 - 4:27pm

^[2]

Rating:

José Miguel Agrelot y Tommy Muñiz

Communicating science is not too different from communicating humor. How Jose Miguel Agrelot successfully adapts a comedy sketch from the United States so that it works for a Puerto Rican audience provides a useful guide for science communicators. The full document is available only in Spanish.
