<sup>[2]</sup>

Students Adriana D. Kleshick Segarra and Wilbert A. Ruperto Hernández, from the Department of Mechanical Engineering at RUM, received the Jesús Sánchez Vázquez Engineering Excellence

Scholarship.

Students Adriana D. Kleshick Segarra and Wilbert A. Ruperto Hernández, from the Department of Mechanical Engineering (INME) of the University of Puerto Rico (UPR) Mayagüez Campus (RUM), received the Jesús Sánchez Vázquez Engineering Excellence Scholarship, which in its eleventh award ceremony, amounted to \$2,000 for each student in recognition of their academic excellence and outstanding work.
