

# Two STEM awards for research at UPR Aguadilla <sup>[1]</sup>

Submitted by [Alondra Caraballo Franco](#) <sup>[2]</sup> on 23 May 2022 - 4:36pm

<sup>[2]</sup>

Aguadilla, P.R. - Thanks to the support of the Puerto Rican people, the research project entitled Citizen Science as a teaching tool presented by natural science students from UPR Aguadilla and under the direction of Professor Dr. Jesús Lee Borges, won two awards: "Presenters' Choice" and "Public Choice" in the international competition The 2022 STEM for All Video Showcase: Access, Inclusion, and Equity.
