Two STEM awards for research at UPR Aguadilla ^[1]

Submitted by [Alondra Caraballo Franco](#) ^[2] on 23 May 2022 - 4:36pm

^[2]

Aguadilla, P.R. - Thanks to the support of the Puerto Rican people, the research project entitled Citizen Science as a teaching tool presented by natural science students from UPR Aguadilla and under the direction of Professor Dr. Jesús Lee Borges, won two awards: "Presenters' Choice" and "Public Choice" in the international competition The 2022 STEM for All Video Showcase: Access, Inclusion, and Equity.
