June 28, 2022. San Juan, Puerto Rico - As part of New Fortress Energy's (NFE) mission to boost the communities where it operates by increasing access to quality education, the company awarded scholarships to five engineering students at the University of Puerto Rico Mayagüez (UPRM) to help them continue their educational journey. The recipients of the NFE emPOWER Puerto Rico 2021-2022 Scholarship at UPRM are Kevin W. Rodríguez García, Penélope O. Nieves Colón, Adriana Danielle Kleshick Segarra, Kevin Caleb Caraballo Irizarry and Miguel A. de Jesús Soto. Each student will receive \$5,000 to be used for tuition and academic expenses. This is the first year that UPRM students will receive the scholarship.
