PRESS RELEASE

August 4, 2022

San Juan, Puerto Rico - The Colegio de Químicos de Puerto Rico (CQPR) announced the premiere of the Instituto de Desarrollo Científico (IDC), a non-profit division created with the purpose of unifying the entire Latin community of chemists in the world to contribute to their professional development. This, through an online platform that will offer courses, training and activities that will support the professional development of people who are part of the Latino community of chemists around the world.
