Founding partners:

Hurricane Fiona impacted the lives, well-being, and livelihood of many college students throughout Puerto Rico. Many have had to contend with family emergencies and additional expenses, food insecurity, interruptions to their education, and spent weeks without water or electricity. Some are still dealing with these challenges.

The [Puerto Rico Science Technology and Research Trust](#) ^[3], the [American Association for the Advancement of Science Caribbean Division](#) ^[4], the [American Chemical Society Puerto Rico Chapter](#) ^[5], [SACNAS](#) ^[6], and [Ciencia Puerto Rico](#) ^[7] are coming together to create the Fiona

Science Student Relief Fund to support the needs of undergraduates in Puerto Rico.

You can join us by making [a tax-exempt donation](#) [8]. Click on “[Donate Now](#) [8]” and in the next page select “Fiona Science Student Relief Fund” from the dropdown menu. Your contribution will go directly to provide \$500 grants to college students in Puerto Rico who demonstrate need and apply through **[an open call that is available until November 1, 2022](#)** [9]. [Please, make a donation now](#) [8]!

If you have any questions about this Fund or if you wish to make a donation of \$10,000 or higher, please contact grants@prsciencetrust.org [10].

[If you are a college student in Puerto Rico and were impacted by the hurricane, apply to the scholarship by November 1st](#) [9].

OTHER WAYS TO SHOW SUPPORT

If you’d like to support the people of Puerto Rico in other ways, below is a list of trusted nonprofit organizations, grassroots efforts and volunteering opportunities — mostly community-based or community-focused — working on the post-Fiona response and recovery. If you have recommendations for this list or you see an error, send us [an email](#) [11]. You can also [support our efforts](#) [12].
