

Renowned Puerto Rican marine biologist receives world-class award ^[1]

Submitted by [Alondra Caraballo Franco](#) ^[2] on 10 January 2023 - 2:29pm

^[2]

Dr. Edwin Hernandez became only the second professional certified by SER in the practice of coral reef restoration in the entire Caribbean. (Vanessa Serra Diaz)

Dr. Edwin Hernandez is only the second Puerto Rican to receive the valuable certification from the Society for Ecological Restoration.

Dr. Edwin Hernández, recognized for his projects related to coral cultivation and reef rehabilitation, was certified as a professional restoration ecologist by the Society for Ecological Restoration (SER), a global network that fosters the exchange of knowledge and experience among experts and scientists from diverse disciplines and backgrounds.
