About the 2024 Biennial Meeting (go to: <https://srbr.org/2024-biennial-meeting/> ^[3])

The Society for Research on Biological Rhythms is pleased to announce the 2024 Biennial Conference will be hosted at the Sheraton Puerto Rico Resort and Casino in beautiful San Juan, Puerto Rico.

General Information

The Biennial Meeting is one of the world's leading international forums for the exchange of cutting-edge scientific information about research in all aspects of biological rhythms.

The SRBR Biennial Meeting provides an opportunity to:

- **Attend** an outstanding scientific program
- **Learn** about the most recent and often advances in biological rhythms. This year's meeting will feature Circadian Medicine that will mark its emergence as a new important area of chronobiology.

- **Meet and interact** with internationally distinguished researchers and scientists
