The robotics event will be held over three days full of competitions. (Supplied)

This year, from October 1 to 3, Puerto Rico will host the World Robotics Olympiad (WRO) Regional Championship, a competition that is expected to be attended by teams from more than 20 countries in the Americas, Europe and Asia.

The event, which aims to promote education and innovation in STEAM (science, technology, engineering, arts and mathematics), will be held at the Convention Center in San Juan.
