

# Cayey will build a Center for Technological Innovation <sup>[1]</sup>

Submitted on 31 May 2006 - 9:38pm

*This article is reproduced by CienciaPR with permission from the original source.*

Cited from [endi.com](http://endi.com) <sup>[2]</sup> "CTI will propel new ideas through innovative programs that will make Cayey a competitive city for economic development." "Similar centers have been established in Caguas and Juncos thanks to the Iniciativa Tecnológica Centro Oriental (INTECO) organization, a consortium of municipalities, universities and private companies that promotes projects aimed to develop the economy of the central-eastern part of Puerto Rico." "The center will have a room equipped with 18 computers, and will provide workshops covering mechanical engineering, electronics and computer science." CTI will be located on Jose de Diego street in downtown Cayey.
