Judith Enck, regional director for the Environmental Protection Agency (EPA), recoginized that the process of decontamination and cleaning in Vieques is dragging feet and has deficiencies, even more so if you take into account that the U.S. government doesn't even have a plan to remove the explosives left underwater by the NAVY.

The full version of this article is in Spanish. You can read it by clicking on ESPAÑOL at the top right of your screen.

RELATED: Recently Daniel Colón Ramos, an associate professor at Yale University, recently wrote a letter to President Barack Obama [1] asking him to take action to solve Vieques'

environmental crisis.
