Dakeishla M. Díaz Morales and Emmanuel E. Díaz Miranda from UPR RP received a Fulbright Grant, the first ones in over two decades.

The Fulbright U.S. Student Program is the largest U.S. exchange program offering opportunities for students and young professionals to undertake international graduate study, advanced research, university teaching, and primary and secondary school teaching worldwide. The program currently awards approximately 1,900 grants annually in all fields of study, and operates in more than 140 countries worldwide.
