The University of Puerto Rico at Mayagüez's student organizations Women in Engineering (WIE) and Cinémathèque invite the general public to submit 60 second videos for its contest, Ingeniería Para Todos on or before July 31, 2015. Videos must promote the idea of women in Puerto Rico pursuing a career in engineering. The submitted videos will be evaluated by a jury composed of members of engineering organizations and professionals from the fields of theater, communications and publicity. The winner will receive \$100 and their video will be distributed

through channels 6 and 3 of the Corporation for Public Diffusion; WORATV, Channel 5, and through the University of Puerto Rico's social media. The awards ceremony will be held on August 12, 2015.

The poster features a stylized background with purple and green geometric shapes. At the top left is a film reel icon. The title 'CINÉMA Wie:' is in large, bold letters, with 'Wie' in a green, stylized font. Below it, 'Ingeniería Para Todos' is written in a cursive font. The main text reads: '¡Apoya la nueva campaña!', 'Nuestra isla no necesita más estereotipos.', 'La ingeniería no es solo para varones.', 'Puerto Rico nos necesita a todos.', and '¡Despertemos el potencial en todos!'. On the left is an illustration of a woman wearing a white hard hat and a green shirt, flexing her right arm. To the right of the illustration is a list of contest rules: '• Somete un video.', '• Promueve la ingeniería como campo de estudio.', '• El video ganador será distribuido por las redes sociales y cadenas de televisión en Puerto Rico.', and '• Premio: \$100.00'. Below the list, it says 'Para más información, visite wie.uprm.edu.' At the bottom, it says 'Concurso auspiciado por:' followed by three logos: the University of Puerto Rico seal, the W52 WORATV logo, and the logo for the Corporation for Public Diffusion.
