Lufthansa Technik. (Tony Zayas)

People with interest and experience in mechanics can transition to a new career in aviation mechanics, thanks to the Aeronautical and Aerospace Institute of Puerto Rico.

The Aeronautical and Aerospace Institute of Puerto Rico (AAIPR) is a non-profit corporate subsidiary of the University of Puerto Rico with affiliations with academic programs and/or institutions in support of the goals and objectives of the aeronautical/aerospace industry in Puerto Rico.

The original article is available in Spanish.
