

Chronicle of an unexpected success

Submitted by Yaihara Fortis Santiago on 7 December 2015 - 5:27pm

Parte del equipo competidor en la Pervious Concrete Cylinder Competition junto a los dos puertorriqueños (de derecha a izquierda, la segunda y tercera persona) que conocieron en una de las montañas Keystone. (Wilfredo X. Guilloty Rivera)

A group of students at the University of Puerto Rico in Mayaguez won several awards at the Pervious Concrete Cylinder Competition in Denver, Colorado.
