“Fui expuesto a las ciencias desde niño”, dijo Rafael Edgardo Rivera Betancourt, quien estudió un bachillerato en ciencia en industrias pecuarias en la UPR de Mayagüez. (Suministrada)

At the U.S. Poultry and Egg Association, Rivera Betancourt serves as the Program Manager for Food Safety and Production. He is in charge of designing educational programs for the poultry industry, aimed at helping managers and employees from industry comply with the regulations and standards required by the federal government.
