2-4 de mayo de 2016

The Graduate School of Public Health from the Medical Science Campus at the University of Puerto Rico will celebrate the V Puertorrican Conference on Public Health. This Conference will bring together the principal international researchers and academics with the purpose of discussing the most pressing and diverse topics in public health at a global scale. This event will be held May 2-4, 2016.

For more information related to the event, please communicate with the Division of Continuing Education and Professional Studies at EGSP at 787-758-2525, extensions 1411, 1475, 4627.
