Los estudiantes fueron felicitados durante una ceremonia de recibimiento que se efectuó en su honor y que fue presidida por el rector del RUM, John Fernández Van Cleve.

The group of students from the University of Puerto Rico - Mayaguez Campus that represented Puerto Rico in the southern regional competitions of the American Society of Civil Engineers, won the majority of the awards, including the prestigious *Overall* for the concrete canoe and steel bridge. This achievement classified them to move to the national competition where they will represent the states of Alabama, Florida, Georgia, Louisiana, Mississippi and Puerto Rico in may and june of this year.

This information was provided by press release from the University of Puerto Rico - Mayaguez Campus.
