**UPR-Río Piedras has the only Aerosol station in the Caribbean and Southern Hemisphere.*

For more than a decade, a group of students from the Department of Environmental Sciences at the University of Puerto Rico, Rio Piedras, has been distinguished for generating information researching the impact of particles in the environment. This work is done at the Aereosol Station located at Las Cabezas de San Juan Light Hourse in Fajardo.

This information was received through press release from the University of Puerto Rico - Rio Piedras.
