San Juan, PR, May 5, 2016 — The San Antonio College in collaboration with the Astronomy Society of Puerto Rico, invites the general public to tune in to the live transmission of planet Mercury's transit in front of the sun on May 9 between 7:12am and 2:42 pm (Puerto Rico time). The transmission will take place in the new facilities of the San Antonio College in Rio Piedras.

The planet's transit will be transmitted for free through the following webpages:
