R.E.S.cycle propone llevar máquinas de reciclaje a los eventos para compactar la basura, organizarla y disponer de ella. (Suministrada)

The “New Venture Design Experience” (NVDE), is an initiative from the project “Pathways to Innovation”. This interdisciplinary effort brings together students from multiple colleges from the University of Puerto Rico, Mayaguez Campus. These students take courses and work on a project to develop products, services and processes that are marketable and provide societal benefits.
