Puerto Rico mejoró en 2015 las puntuaciones que obtuvo en las pruebas PISA en Ciencias y Lectura en 2012. (Archivo/ GFR Media)

The education system in Puerto Rico, both public and private, occupies one of the last spots in world clasification based on the results from an international standarized test. These results from the Program for International Student Assessment (PISA) should serve as motivation for the country to improve its educational system.
