El Observatorio de Arecibo es la instalación de investigación científica más completa en su clase en el mundo, en la que se trabaja con las ciencias de la radioastronomía, los estudios atmosféricos y la astronomía planetaria. (Suministrada)

As part of the 20th anniversary celebration, the Science and Visitor Center at the Arecibo Observatory will host a ceremony to announce their new status as a museum affiliated to the Smithsonian. The event will take place on Thursday, April 20 at 10:00 am in the Science and Visitor Center Auditorium.
