La investigación y educación agrícola que hace la UPR de Mayagüez llega a todos los municipios de Puerto Rico y tiene un impacto de cientos de millones de dólares al año. (Archivo / GFR Media)

Leadership from the College of Agricultural Sciences (CCA) at the University of Puerto Rico-Mayaguez Campus, defended the value of the Extended Agricultural Service (SEA) and the Experimental Agricultural Station (EEA) against the attacks on the role of these entities, whose mission is to promote agriculture, research and community service for Puerto Rican families.
