

Summer Research Opportunities for Undergraduates ^[1]

Submitted on 26 June 2010 - 11:01pm

This article is reproduced by CienciaPR with permission from the original source.

Calificación:

List compiled by CienciaPR Team member Odmara Barreto-Chang. If you know of other summer research opportunities for undergraduates, medical students or other professional students please post them on this new thread at CienciaPR. Also, if you have attended any of these summer programs, we invite you to post on your experience so that prospective researchers can benefit from it.
