

CienciaPR news soon to be bilingual! ^[1]

Submitted on 1 April 2006 - 9:00am

This article is reproduced by CienciaPR with permission from the original source.

Calificación:

The ability to view CienciaPR news in either English or Spanish has been requested since almost day one of launching the site. Now, we're pleased to announce that we have excellent support staff lined up who have committed to provide translations for our community. Please bear with us as we update our news archive to bilingual status. Remember, if you would like to change your language preference for CienciaPR, please visit your [user panel](#) ^[2].
