

I want to add a deadline column for the Jobs and Funding & Fellowships forum views ^[1]

Submitted by [Giovanna Guerrero-Medina](#) ^[2] on 25 August 2012 - 11:42pm

^[2]

I want to edit the following views to add a deadline column

<http://dev.cienciapr.org/forums/funding-fellowships>, <http://dev.cienciapr.org/forums/career-opportunities> ^[3]

I already added a deadline field to the content type and I made views that display the content the way I want but the paths seem to be taken up by predetermined views that I can't edit...
