The team *Microgravity Center for Advanced Nanoscale Materials* (Micro-G CANM 2) from the Chemistry Department at the Natural Sciences School at the University of Puerto Rico was one of 5 teams selected to run experiments on zero gravity at the *NASA Johnson Space Center* in Houston, Texas last week. The team of students was led by Dr. Carlos Cabrera.

For more information contact Carlos Poventud-Estrada at cmpoventud@gmail.com [2]. Follow the team on facebook: Micro-CANM and watch videos in you tube at: (<http://www.youtube.com/watch?v=JsxZvBVCCq8> [3]).
