## LEADERSHIP & PROFESSIONAL EXPERIENCE

---

### Summer STEM Seminar Assistant

Medical Sciences, UPR 5 hrs. on 06/11/2025  
San Juan, P.R

- Acted as a facilitator during the *Summer Seminar 2025: Exploring Health Professions* and engaged with students in an experiment to extract DNA from a strawberry. Shared personal experience as a premed student with 60 high school students and reinforced the importance of early exploration of scientific careers.

### Event Planning Assistant

Quest PDG, San Juan, P. R 08/2021 – 01/2022.

- Coordinated logistics for corporate events by establishing relationships with cleaning services, catering, lights, ushers, sound engineers, warehouse department, etc.
- Created detailed schedules, client proposals and negotiated contracts with suppliers

### Television Producer and Production Assistant

WIPR TV, San Juan, P.R. 06/2020-08/2020  
11/2020 - 01/2021  
05/2021 - 08/2021

- Midst the pandemic, directed interdisciplinary teams (talents and teachers, content editors, technical crew) to deliver 350 episodes of educational content to be aired on national television focused on 6th to 12th grade math, high school literature and College Admissions Test Review (College Board).
- While balancing full time university course work, oversaw filming and editing logistics, managed the on-boarding and billing process, developed daily rundown of operations and enforced strict health measures to prevent Covid-19 outbreak.

**Public Relations Intern**

Scuba Dogs Society  
San Juan, P.R

03/2021 – 05/2021.

- Conceptualized 10 social media posts for Instagram and Facebook to promote a community environmental initiative.
- Recruited 9 social media influencers to join the public relations campaign leading to expanded outreach and event engagement.

**RESEARCH EXPERIENCE**

---

**Undergraduate Research Assistant**

*Pharmacogenetics Laboratory, UPR Medical Sciences*      06/2025 – Present

- Analyzing gene mutations and inflammatory biomarkers in the DNA of Caribbean Hispanic patients that have been diagnosed with Alzheimer's Disease.
- Conducting genotyping procedures, handling biological samples, learning to utilize Quant Studio to analyze results, contacted patients to inquire about their medical history.

**SHADOWINGS**

---

Dra. Zoraida Estela, *Radiology*

8 hrs. on 01/30/20225

- Observed diagnostic imaging procedures including CT scans, X-rays, and breast imaging at a busy outpatient clinic.
- Witnessed multiple breast biopsies and learned how breast lesions are "marked" for accurate visualization in follow-up radiographic studies.

Dr. Oscar Lugo, *Obgyn*

8 hrs. on 04/15/2025

- Shadowed the physician during consultations with approximately 15 patients, including pregnant women at various stages of gestation, post IUD insertion, post partum follow ups, sterilization consults and annual visits.

**NON-SCIENCE RELATED PROFESSIONAL EXPERIENCE**

---

**Bank Representative**

Banco Popular - Ponce, P. R

03/2022 – 08/2024.

- Process a monthly average of 4,000 transactions in a timely and effective manner while successfully navigating daily face to face interactions where sensitive and financial information is elicited.

**Administrative Assistant**

Radio Universidad de P.R. - San Juan, P.R

03/2018 – 12/2019

- In charge of the daily aired "Cultura Hoy" segment: research in social media and different websites to select the events to highlight and prepare the script. Answering calls, sorting emails, assist in the planning of fundraising activities.

## COMMUNITY SERVICE EXPERIENCE

---

*Proyecto Amor que Sana*

12 hrs. June-July 2025

Casa Ana Medina at Ponce, P.R.

- Prepared and provided snack bags to people experiencing homelessness. Interacted with the program residents by striking up conversations and playing games.

*Animal Shelter "Salvando Vidas"*

5 hrs. in September 2022.

Organized by: Banco Popular

- Visited the animal shelter in Ponce to bathe dogs, clean cages and treatment rooms.
