OBJECTIVE

Hard working, dedicated, and motivated student with proven leadership and organizational skills looking for a way to use my talents to be able to achieve my dream of becoming a doctor to help those people who need it. I'm here to take chances, chase my dreams, start living and make a change in the world; not to play things safe, stay in my comfort zone and be boring.

JOB EXPERIENCE

JUNE, 2017 SUMMER JOB • LA CASA DEL ESTUDIANTE, CAGUAS

I am currently working and putting in use my skills with people interactions, computers, being a good leader and fast learning to help a very recognized local business in Caguas during their high season of back-to-school.
