

CALL FOR PROPOSALS FOR
SCIENCE AND TECHNOLOGY
RESEARCH GRANTS

We are actively seeking researchers and scientists to present proposals related to scientific research in a wide range of fields, including:

- **Biotechnology & Natural Sciences**
- **Information & Communication Technology**
- **Aerospace Technology**
- **Medical Devices**
- **Electronics**
- **Clean Technology / Renewable Energy**
- **Agriculture**
- **Environmental Science**
- **Other Related Sciences**

Our mission is to further research and knowledge. Join an exclusive group of scientists and researchers who are taking Puerto Rico's knowledge economy to a world-class level.

For more information and details about the application process, visit prscicetrust.org

Deadline: **October 26th, 2015**
