

THE AMERICAN CHEMICAL SOCIETY
IS COMING TO THE UNIVERSITY OF
PUERTO RICO, RÍO PIEDRAS!

APRIL 4, 2020

8:30 AM-6:15 PM

University of Puerto Rico, Río Piedras

ACS on Campus, the American Chemical Society's premier outreach program, is coming to Puerto Rico! Join us at the University of Puerto Rico, Río Piedras for a full day of publishing talks, career tips, and student poster presentations. Meet ACS Editors and local professionals and make lasting connections over networking breaks.

The event is **FREE** and open to all students and researchers studying the sciences—not just chemistry! Registration is highly encouraged. All registered attendees will receive free breakfast and lunch as well as admission to the student poster presentation session and networking reception.
