DE QUÍMICA

Come and join us to celebrate National Chemistry Week

"The Sweet Side of Chemistry—Candy"

SUNDAY, OCTOBER 26, 2014

1:00 – 4:30 PM

PASEO DE LA PRINCESA
SAN JUAN, PUERTO RICO

This community event coordinated by the ACS-Puerto Rico Section will join the efforts of hundreds of volunteers that through demonstrations will emphasize the importance of chemistry in daily life in relation to the themes of candies, nutrition and food.

The activity will include the participation of Puerto Rico: ACS-Section, ACS Student Chapters from public and private institutions, ACS High School Chemistry Clubs, ACS-Younger Chemist Committee, members of AAAS-Caribbean Division and Colegio de Químicos.
