

Registration is Open!

6th Biennial National IDeA
Symposium of Biomedical
Research Excellence (NISBRE)

June 26 – 28, 2016
Marriott Wardman Park Hotel
Washington, DC

On behalf of the NISBRE executive steering committee, we invite you to join us in Washington, DC to highlight the scientific and training activities and accomplishments of the IDeA program within NIGMS!

Meeting Highlights:

- High-level scientific presentations
 - Opportunities for discussions and exchange of ideas
 - Opportunities for oral presentations for faculty and students
- Workshops for sharing of best practices and new approaches
 - Digital poster sessions
- Travel awards for students and faculty

Register Now!
