

## RISING STAR POSTDOCTORAL EVENT

**Sept 30 - Oct 1, 2024**

Irving Cancer Research Center (ICRC)  
1130 St. Nicholas Ave, 1st Floor Auditorium

**Are you interested in a career in cancer research or a cancer-related field?**

**Are you interested in receiving mentoring throughout your postdoctoral training that will enhance your scientific training and application for faculty positions?**

We invite you to apply for our HICCC Rising Star Postdoctoral Recruitment Event at Columbia University Irving Medical Center. All travel expenses will be covered for invited trainees. Our Rising Star Postdocs will have tailored mentoring, a cohort of postdocs to interact with regularly, small group meetings with leaders across the HICCC CUIMC, faculty mentoring committees in addition to your PI and opportunities to attend national meetings in your research field.

Eligibility:

- Applicants will obtain their PhD within approximately 24 months at time of application
- Applicants are US Citizens and we strongly encourage members of groups that are underrepresented in the biomedical sciences as defined [here](#) by the NIH

**APPLICATIONS DUE BY  
JULY 1, 2024**

**APPLY NOW**
