

The University of Puerto Rico School of Pharmacy is one of six health professional schools of the Medical Sciences Campus located in metropolitan San Juan, Puerto Rico. The Department of Pharmaceutical Sciences has an opening for a full time tenure-track **ASSISTANT PROFESSOR** in the area of Pharmaceutics. A Ph.D. degree in Pharmaceutics, Pharmaceutical Engineering or a related degree, and relevant post-doctoral experience is required. The candidate is expected to share teaching responsibilities in both the Doctor of Pharmacy as well as the Graduate Program, and to establish an independent externally funded research program in Pharmaceutics and Drug Delivery Technology. Since Puerto Rico is host to a large variety of pharmaceutical and biopharmaceutical manufacturing sites of nearly all major US and various foreign drug companies, a large area of opportunities for research and development exists. For information, please contact Cornelis Vlaar, Ph.D., Chair Department of Pharmaceutical Sciences (cornelis.vlaar@upr.edu). If interested to apply, please submit a letter of interest, research plans and a curriculum vitae with names and addresses of three references to:
