

**University of Puerto Rico Mayagüez Campus
Faculty of Arts and Sciences
Department of Mathematical Sciences**

**Assistant Professor
Convocatoria#: 16-01**

Job Description

The Department of Mathematical Sciences at the University of Puerto Rico in Mayagüez anticipates offering at least one tenure track faculty position in Applied Mathematics, Pure Mathematics or Math Education starting July 1st, 2016. Minimum qualifications include having completed a doctoral degree in Applied Mathematics, Pure Mathematics or Math Education, or the expectation of its completion before the start of the appointment.

Job Requirements

Applicants should have a strong commitment to teaching and research potential; and should demonstrate a good publication record in quality journals. Duties include undergraduate and graduate teaching and research. Initiative and leadership is expected. Interest in interacting with faculty in other research areas in the department and/or university would be desirable. Numerous opportunities exist for collaboration with faculty from across the College of Arts and Sciences, the College of Engineering, the College of Business Administration and the College of Agricultural Sciences. Classes at the University are taught in Spanish and English. Applicants should submit a plan which outlines their short and long term teaching and research goals. In addition this research proposal should outline how the applicant expects to bring in external funding for teaching and/or research.

HOW TO APPLY: Interested candidates should send an application letter, current curriculum vitae, three (3) letters of recommendation, Graduate School transcripts, American Mathematical Society (AMS) cover sheet, teaching and research philosophy no later than March 31st, 2016 to:

Dr. Olgamary Rivera Marrero
