

St. John Fisher College
Rochester, NY
Full-Time, Tenure Track Assistant Professor of Chemistry

St. John Fisher College in Rochester, New York invites applications for a tenure-track position in biochemistry/organic chemistry beginning in September, 2013. The Department's B.S. in Chemistry and B.S. in Chemistry with a concentration in Biochemistry are approved by the ACS. The successful candidate will be expected to teach both biochemistry and organic chemistry. A completed Ph.D. in biochemistry or bioorganic chemistry at the start of employment and the potential for excellence in teaching and research at the undergraduate level are required; postdoctoral experience is desirable. This position is subject to budget approval.

To receive full consideration, applicants are asked to electronically submit a *curriculum vitae*, a letter describing their qualifications and interest in this position, and statements of their teaching philosophy and brief research interests to: <https://jobs.sjfc.edu>.

Additional information, including academic transcripts and three letters of recommendation (sent directly by evaluator), are to be sent directly to Dr. Irene Kimaru, Department of Chemistry, St. John Fisher College, Rochester, NY 14618. Email ikimaru@sjfc.edu or see home.sjfc.edu/Chemistry for more information. Review of complete applications will begin December 1st.

St. John Fisher College is an Equal Opportunity/Affirmative Action Institution and is committed to providing equal opportunity through its employment practices
